Vets & Pets Community Picnic
Fireworks-Free, Pet-Friendly Event

Commemorate Independence Day on Sunday, July 3rd at Greenbank Farm, 3:00 - 9:00 pm.

This community picnic is being organized by Whidbey Island volunteers to offer a fun and festive event to celebrate our veterans & pets in a festive and fireworks-free day!

There will be dog contests with prizes from 4:00 - 6:00 pm. Dogs are required to be on a leash in the communal areas – there is an off-leash area at the Farm.

Organizers encourage people to bring a cooler, shade umbrella, musical instruments, etc. The Greenbank Farm shops will be open.

Note: There is a $5 parking fee to help cover expenses. For more information, please visit whidbeyislandmarkets.com.

Wharf Wednesdays Live Music

The historic Coupeville Wharf and Penn Cove are the backdrop for a live music series each Wednesday at 4:00 through June. The events are free and a great way to get outside mid-week.

For more information about the musicians, please visit ***Wharf Wednesdays Busker Series***

On the Wharf

Wharf Roof & Seismic Repair

The historic Coupeville Wharf Pile & Cap project is still being held up by the National Marine Fisheries Services permit process.

While we ideally would like to complete the Pile project before making other critical repairs, we simply can't wait for the permit and risk more storm damage – so we have decided to start moving forward this year with replacing the Wharf roof.

The photo shows the damage from the storm last November 15th, unusually high wind and waves caused extensive damage to the roof, gutters, walls, and dock.

The Port is also moving forward on the seismic stabilization of the building walls. We'll provide more infrastructure updates over the coming months.

Rent the Historic Coupeville Wharf Breezeway

If you're a small business vendor or nonprofit and would like to have a temporary presence at the Coupeville Wharf's foyer area, we are now renting by the hour.

The Wharf is a public building and therefore some restrictions apply. For more information, please contact our Wharf Manager at: 360.678.6379
